

Choose a Reliant plan and relax, knowing you can switch to another Reliant plan in the first 90 days.¹

If your electricity plan isn't quite what you expected, please let us know.

Reliant is committed to remaining flexible in our service, which includes making sure the electricity plan you choose is the right fit.

Since we offer a variety of electricity plans to meet our customers' unique needs, simply give us a call if yours doesn't, and if you are within the first 90 days of your contract, we'll help you change to a plan that is better suited for your lifestyle.

And, here's the best part — there is no charge to change.

Whether you are a new or existing customer, if you are within the first 90 days of your contract, you can change your plan. It's that simple.
